CYR S FOURTH READER (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Cyr s Fourth Reader Literature in its noblest form should do for the child what it does for the man, - open the eyes to clearer vision, and nourish and inspire the soul. The reading book, therefore, has more direct influence upon the character of the pupil than any other text-book, and, with this in mind, it has been the fundamental purpose of this series to make its readers familiar with the best writers and their works. It has been deemed best to continue the plan of the previous books of the series and introduce several central figures. We have been reading and becoming acquainted with the American poets; now we enter a new field of literature, and the great prose writers, Hawthorne, Irving, Dickens, and Scott, with the English poet Tennyson, shed the influence of their characters and writings in the schoolroom. The pupil looks into their faces and visits their homes. Their early childhood, their battles with adversity, and the influences that determined the current of their lives become familiar. Then, with awakened interest and admiration, he reads the messages they have left behind them. Characteristic selections from these authors have been carefully chosen with reference to the capacity of the children.
