Reviews

A whole new e book with a new perspective. I could comprehend almost everything using this written e book. I am very happy to inform you that here is the greatest ebook i have read in my very own life and may be the best publication for ever.

(Dee Halvorson)

BOMB

To read **Bomb** eBook, remember to access the hyperlink beneath and download the file or gain access to additional information which are have conjunction with BOMB book.

Hachette Children's Group. Paperback. Book Condition: new. BRAND NEW, Bomb, Sarah Mussi, I'm Genesis Wainwright. I'm a sixth-form student. I come from Somerset. My mum is the best mum in the world. I play the guitar (badly). My best friend is Holly. I'm searching for answers to the Meaning of Life. I believe in True Love. AND I'M IN LOVE WITH NAZ. I want to be a performance poet. And I'm crazy about motorbikes. I can remember everything. Except last night. When Genesis goes on a blind internet date, she just wants to get over her ex-boyfriend Naz. She just wants someone to like her again. But when Genesis wakes up the morning after the date, she can't remember a thing. She doesn't know where she is, or how she got there. And she can hardly move because she is strapped into some kind of body armour .Before she has time to figure it out, she receives an order through an earpiece stuck in her ear. And then a voice sounds in her head: 'You have been chosen for an assignment .The vest you're wearing is packed with high explosives. And with one mobile call we can detonate it.' To her horror Genesis has become an agent of mass destruction, a walking weapon in the hands of a terrorist cell. The countdown to detonation has begun: Genesis must re-examine everyone and everything she loves and make terrifying choices .in the face of certain death. A gutsy, compelling and chilling thrill-ride.
