Springer. Paperback. Book Condition: New. Paperback. 760 pages. Dimensions: 9.2in. x 6.1in. x 1.1in. In modern medicine the most functional methodologies are taking an increasing importance in spreading informations, rendering it credible while at the same time using reliable data to focus interaction between basic science and clinical medicine. Critical care medicine embraces these needs and more than any other discipline thrives and develops thanks to interdisciplinary contact. APICE 2004 has been organised to provide precise answers to these issues. In particular,...
