Graywolf Press,U.S., United States, 2003. Paperback. Book Condition: New. 229 x 165 mm. Language: English . Brand New Book. Drawing upon his collection of quirky antique postcards, Lawrence Sutin has penned a series of brief but intense reminiscences of his ordinary life. In the process, he creates an unrepentant, wholly unique account about learning to live with a consciousness all his own. Ranging from remembered events to inner states to full-blown fantasies, Sutin is at turns playful and somber, rhapsodic and mundane, funny and full of pathos. Here you ll find tales about science teachers and other horrors of adolescence, life in a comedy troupe, stepfathering--each illustrated with the postcard that triggered Sutin s muse--and presented in a mix so enticingly wayward as to prove that at least some of it really happened.
