By Mandy Concepcion

Createspace, United States, 2011. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.(Ford) Domestic Automotive Transmission Troubleshooter and Reference A reference and pictorial guide for automotive transmissions (Including Ford/Lincoln/Mercury vehicles) By MANDY CONCEPCION The beginnings of this book (Ford Version) came about after the development of the Transmission Troubleshooter software package, which eventually became part of the TransDoctor PC based diagnostic equipment. Both of these related products, although meant for the professional side of the industry, left behind a huge arsenal of data that matched perfectly with the needs of the average consumer, DIY and mechanic aficionado. We assumed that this information, so far as the general public was concerned, did not necessitate to be part of a broad software package and therefore could be offered at a lower cost to the people. This book covers Ford automotive transmission diagnostics and electronic repair for domestic vehicles. The information was amassed during years of field work and research in the automotive industry. For this reason, the information is presented in a direct, hands on approach and skips the basic operation of automotive transmissions. If you're trying to discern the basics...
