This rare and fascinating book is filled with incredible information about the oldest mythological story in the world -- that of the dragon. Similar stories exist worldwide, in all cultures, of this elusive and powerful creature. The author, Ernest Ingersoll, has stated that the dragon is connected with the powers and doings of the earliest gods, and like them is vague, changeable and contradictory in its attributes, maintaining from first to last only one definable characteristic -- association with and control of water. The strong point of this book is that it is so all-inclusive. China, India, Korea, and Japan are covered in the East, as well as Babylonian and Egyptian legends, while Welsh, English, Irish, French, and other tales of Christendom are covered in the West.
