In the late 1960 s and throughout the 1970 s, due to crucial instruments such as the Civil Rights Movement and the Black Power Movement one particular conduct developed, New Black Consciousness. New Black Consciousness brought the factor of being pride of one s skin-color and exceptional situation to the race issue. Though this was not entirely new, most blacks now felt more than before in a symbolic position. Their proud status would impress millions of blacks and other minorities in the US and show them that it was possible to disapprove of oppression and segregation, which still was present in many white peoples minds. New Black Consciousness was the effective community spirit, which welcomed all blacks with...
