## British Social Wasps: An Introduction to Their Anatomy and Physiology, Architecture, and General Natural History, with Illustrations of the Different Species and Their Nests (Classic Reprint) (Paperback)

---

By Edward Latham Ormerod

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from British Social Wasps: An Introduction to Their Anatomy and Physiology, Architecture, and General Natural History, With Illustrations of the Different Species and Their Nests Wasps have been my holiday companions for many years; and wasps and wasps nests have occupied much of the time which was forbidden to more serious employments. Beginning with an inquiry into the nature of wasp-paper, one question has led on to another, till the detached observations have insensibly grown into a continuous Natural History. I feel that I may point with entire satisfaction to the figures of the several species, of the excellency and accuracy of which Mr. Robinson's name is a guarantee to all Entomologists. And of the beautiful drawings of the nests, by my wife's pencil, I am sure that there can be but one opinion, in accordance with my own. The wood-engravings and graphotypes want the perfect finish which can only be given by a practised hand, but I must plead that they convey my meaning more exactly than an artist working at a distance could...

### Reviews

*The best book i actually read through. I have got read and so i am sure that i am going to going to read through yet again yet again down the road. You can expect to like the way the author compose this pdf.*

-- **Ludie Willms**

*A must buy book if you need to adding benefit. I am quite late in start reading this one, but better then never. Its been designed in an exceptionally easy way in fact it is only after i finished reading this publication where in fact modified me, alter the way in my opinion.*
