World Bank Publications. Paperback. Book Condition: New. This item is printed on demand. Paperback. 128 pages. Since 2002: 37 countries have participated; 4 Networks have been established; 1, 350 education staff members and 76 development partners have participated in 120 training days; 75 of participating countries are now accessing funds through their National AIDS Committees; 76 have an HIV and AIDS education sector strategy and plan; 91 train teachers to...
