Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.DD might be a game of heroes, but for us it s a game of dysfunction. It s a place where we deceive our friends, backstab our allies and sacrifice the good of the company for the benefit of ourselves. And we wouldn t have it any other way. What follows is the booklet of one of our adventures. It is a fictional story about a band of self-absorbed misfits and one cunning dwarf, all based on actual PCs, NPCs and events in our old school DD campaign. This book is the 1.1 version of The Company of Chaos. Although there are small corrections, these are primarily cosmetic in nature, and if you purchased the original book you won t find enough value in the changes to warrant repurchasing it. It does, however, include an advanced preview to The Company of Chaos II. *Before you buy this booklet*, please note that it s short, self-published and intended for the avid fan who reads all things DD, and it s priced at the lowest possible amount allowed for these very reasons. It will not whisk you away for endless hours to an epic world, and while it has been proofread please forgive the occasional typo or two.
