Kalmbach Publishing Company, United States, 2010. Paperback. Book Condition: New. 268 x 206 mm. Language: English . Brand New Book. 101 Track Plans has been a classic for model railroaders since its publication five decades ago. Now, a new book follows up where the original leaves off. 101 More Track Plans for Model Railroaders evokes the look and feel of its predecessor, with a simple premise: a multitude of track plans to inspire modelers. Featuring plans from Model Railroader magazine from the 60s, 70s, and early 80s, each track plan has a newly written, informational description of the design. The track plans range in size from simple 4 x 8 foot and smaller layouts to room- and garage-sized showpieces, with the majority focusing on mid-size layouts.
