For there is a teaching for each Candidate which is beneath the words and unwritten and, to catch that instruction, there must be a conscious openness to the Teacher Within. The writing of this Handbook on All The Way has not been by subject or by any fixed order that human intellect might dictate, but on the contrary. The paragraphs are numbered as well as the chapters for convenience in referring to specific instruction. God grant that many will be led to commune with themselves and, by the power of their own great Self, determine to reach the Heights.
