

Land and Fresh-Water Shells: An Introduction to the Study of Conchology (Classic Reprint) (Paperback)

By Joseph William Williams

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Land and Fresh-Water Shells: An Introduction to the Study of Conchology The burden of this little volume of The Young Collector Series is to supply a want often felt and often expressed by our younger naturalists, who cannot afford to give the high prices asked for books upon the subject of which it treats. At the same time it must not be looked upon as a finished monograph, nor yet as the only manual that will be needed by the student. As he makes advances in the after-days he will require the larger text-books of Moquin-Tandon, Gwyn Jeffreys, Forbes and Hanley, Rossmassler, and my other work, The Shell-Collector s Handbook for the Field, to which this little volume may serve as an introduction. In the following text, the anatomy of the snail and fresh-water mussel has been given at some length, since the basis of our work must be founded on structural details, and to make these chapters as full as possible, all the available sources of Continental and Home literature have been searched for...

Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).
