Horticultural Therapy Methods: Connecting People and Plants in Health Care, Human Services, and Therapeutic Programs (Paperback)

By -

Taylor Francis Ltd, United Kingdom, 2008. Paperback. Book Condition: New. 208 x 150 mm. Language: English . Brand New Book. Widely accepted treatment methods using horticulture as a therapeutic modality Through the years, horticultural therapy (HT) has evolved from its use only by volunteer gardeners to become a recognized and respected therapeutic modality conducted by trained, registered professionals. Horticultural Therapy Methods: Making Connections in Health Care, Human Service, and Community Programs details the basics of the growing, time-proven practice of therapy through gardening. Experienced practitioners and educators discuss horticultural therapy theory, application, and the impressive positive impact it has on clients. Beginners are educated on key issues and given the tools needed to effectively treat clients. Horticultural therapy uses widely accepted treatment methods in a calming, creative program framework. Horticultural Therapy Methods challenges pre-conceived notions of the value of this treatment by describing the processes, techniques for practice, and the rationale for their use. This manual not only can be used as a reference and a guide for students but can also be used by educators and those conducting horticultural therapy to help construct effective treatment programs. Health care and human service professionals will find this resource a powerful ally...

Reviews

Completely among the finest book I have actually read through. It is probably the most remarkable book we have study. I discovered this book from my dad and i suggested this book to learn.
