

In the Buddha's Words: An Anthology of Discourses from the Pali Canon

By Bhikkhu Bodhi; Foreword By the Dalai Lama

Wisdom Publications, Boston, USA. Paperback. Book Condition: New. First Edition. This landmark collection is the definitive introduction to the Buddhas teachings in his own words. The American scholar-monk Bhikkhu Bodhi, whose voluminous translations have won widespread acclaim, here presents selected discourses of the Buddha from the Pali Canon, the earliest record of what the Buddha taught. Divided into ten thematic chapters, In the Buddhas Words reveals the full scope of the Buddhas discourses, from family life and marriage to renunciation and the path of insight. A concise, informative introduction precedes each chapter, guiding the reader toward a deeper understanding of the texts that follow. In the Buddhas Words allows even readers unacquainted with Buddhism to grasp the significance of the Buddhas contributions to our world heritage. Taken as a whole, these texts bear eloquent testimony to the breadth and intelligence of the Buddhas teachings, and point the way to an ancient yet ever-vital path. Students and seekers alike will find this systematic presentation indispensable. Printed Pages: 512. Size: 6 x 9 Inches.

Reviews

A must buy book if you need to adding benefit. It really is writter in easy terms instead of difficult to understand. I found out this ebook from my dad and i advised this publication to find out.

-- **Prof. Elton Gibson I**

The very best book i at any time read. It generally does not price an excessive amount of. I discovered this publication from my dad and i recommended this book to understand.
