Brand New Book ***** Print on Demand *****.Excerpt from Our Annus Mirabilis In 1667 - exactly two and a third centuries ago - John Dryden was a young aspirant for the laurel wreath. Like many another Englishman of that day, he had changed sides at the Restoration, and since then he had been rather anxiously awaiting the arrival of some fit occasion for celebrating the greatness and goodness of his new master, Charles II. Since Charles was what he was, the fit occasion was slow in coming; and, rather than wait too long, the young poet was fain to content himself with a series of notable occurrences clustering about the year just past, 1666, - disasters though most of them were, - and to couple with his account of them such fulsome flattery of the king as the gross taste of the time permitted and encouraged. The first in this series of occurrences, and perhaps the most memorable of them all, was the Great Plague of London. The disease was, alas, no new one.
