Learning from the Heart: Lessons on Living, Loving and Listening

By Daniel Gottlieb

Sterling Publishing Co Inc. Paperback. Book Condition: new. BRAND NEW, Learning from the Heart: Lessons on Living, Loving and Listening, Daniel Gottlieb, In the nearly 30 years since the accident that made him a quadriplegic, Dan Gottlieb has developed a quality of awareness that most people never achieve. His accident made him an outsider among us ('like a foreign correspondent,' as he puts it) and from that vantage point, he has acutely observed the way we humans act, think, feel and live - in short, what it means to be human. Here, he files his report. Written with humour and honesty, a gift for storytelling and a great depth of compassion, "Learning from the Heart" addresses issues that divide as well as unite us, such as family life, the challenges facing the disabled and elderly and issues of injustice. In "Letters to Sam", Dan wrote to his grandson. Here, he addresses his readers directly. Fans of his work will recognise the voice and the format: short chapters that are anecdotal, reflective and wise, revealing and deeply personal, but that resonate with universal truths.

This is the finest publication we have read through right up until now. Better then never, though i am quite late in start reading this one. Its been written in an remarkably easy way in fact it is only after i finished reading through this book by which basically altered me, affect the way i think.

A top quality ebook as well as the typeface used was interesting to see. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.
