Brand New Book ***** Print on Demand *****.Spiritual warfare is a reality that many Christians have to endure on a daily basis. As we are now living during the last days before our Messiah returns, we are confronted by more attacks from our adversary. Demons are manipulating the minds of both nonbelievers and Christians and now it is time for us to learn how to fight back. Many Christians are finally coming to the realization that they are soldiers in Christ, but do not know how to battle the enemy who has infiltrated our very minds. The author explains spiritual warfare through modern day concepts and includes some of his own experiences. This book goes beyond the basic teachings of the whole armor of God and is necessary for battling the demons who manipulate the world around us.
