Reviews

Simply no words to explain. It really is basic but shocks from the fifty percent of the ebook. I am just happy to explain how this is the finest pdf we have read within my personal life and could be he best ebook for possibly.

Oxford University Press Jul 2014, 2014. Taschenbuch. Book Condition: Neu. 185x103x30 mm. Neuware - Fully updated and revised for its second edition, the Oxford Handbook of Clinical Examination and Practical Skills is the only truly comprehensive pocket guide to all aspects of history taking, physical examination, practical procedures, data interpretation, and communication skills. Packed with expert knowledge and practical guidance it gives realistic advice on coping with common situations. The handbook is structured to allow rapid reference of key information, and to aid understanding with concise and practical clinical guidance. Full colour throughout, it includes over 140 detailed photographs and diagrams of all common examination skills to show you exactly what you need to do and the theory, practice and complications for each. More photos have been included, with over half completely new and specially produced for this edition. Each system chapter covers applied anatomy, history, examination, and the presentation of common and important disorders. Data interpretation covers the basics of x-rays, ECGs and other key areas. A new chapter on the eyes is included along with the sections on body language and non-verbal communication, and the section on practical procedures has been expanded. This handbook will help to ensure you have the confidence and skill to carry out an 'A' grade examination every time. 768 pp. Englisch.
