Brand New Book ***** Print on Demand *****.Seated Above Looking Below The Beginning On a summer s Eve in 1976 I had a spiritual awakening. After weeping through the night I awoke the next morning and heard the birds really singing for the first time. I also felt inwardly enriched. The living waters of poetry began to flow like a river and these poems are the result. - Bobby Brown What Others Are Saying I first heard Bobby Brown s wonderful poetry at an Open Mic poetry reading. One evening while I was listening to him share his writings he said some words that touched my heart and changed my life forever. Bob s words took me on a spiritual journey that led me to come to know my Lord and Savior Jesus Christ! Since that time we have become good friends and his poetry continues to bless my life and I m sure it will edify everyone else who reads it. - Rosemary M. The Journey Seated Above Looking Below contains about 200 poems that will take you on a journey, a journey that wanders through the seasons of life and ends on some deep spiritual truths. This is Bob s first published book. Interestingly enough, the book title was inspired by scripture - Eph 2:6 which states And God raised us up with Christ and seated us with Him in the heavenly realms in Christ Jesus. This is an incredible piece of scripture because it show s Gods abundant grace towards us - but note the focus is on God; He raised us up and He seated us with Himself. Also, note the tense of the verse! Read it again!...
