This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

Perronet Press. Hardback. Book Condition: new. BRAND NEW, Body Collector, Frank Hinks, Charlie Stench the Body Collector collects bodies: the heads he turns into floating skulls with all the powers of evil (except that in the case of Boris the skull something went wrong and he did not turn out evil at all). Boris loves the wicked witch Griselda (who treats him mean and keeps him keen) but as fans of Frank Hinks Ramion Collection will know Boris longs to have his body back. After saving Griselda from the mini-skulls Boris persuades her to visit the Body Collector, but when Griselda finds the boys (Julius, Alexander and Benjamin) amongst the dead nothing works out as they expect. Can the warrior cat Snuggle protect the boys from THE BODY COLLECTOR who wants their bodies for his collection and Griselda who as always wants to eat them?! This is the 15th story in the Ramion collection and arguably the most controversial. A mix of dry humour and adventure The Body Collector delivers boyish delight of muddy hands and ghostly globs, but adults will find a deeper message within its pages, a reminder of parental love, making The Body Collector a unique bedtime story for adults and children alike.
