The late 1850s early 1960s. spent the 1848-49 revolution in Europe after the failure of the political reaction period. the workers movement and the national democratic movement started a new high. 1857-1858 outbreak of the global economic crisis on the arrival of the new high has played a catalytic role. As Marx said: In fact, just the history of Europe from 1857-1858 before and after the crisis with a kind of urgent, it can be said that the nature of the revolution. In Germany and Italy, for the task of national unification and sharp to put on the agenda. German workers movement active again, the people held against Austrian rule in Italy's armed uprising. In France, the people of Bonaparte's dissatisfaction with the reactionary authoritarian regimes increasingly strong. In the UK, the trade union movement to achieve greater development, the British working class re-launched reform of the system for parliamentary election campaign. In Russia, the peasant class struggle against the feudal serfdom in full swing. During this period, Russia, France, Prussia, Austria and other countries also compete for hegemony in Europe intensified. The main part of the volume of Marx's criticisms of the book, Mr. Vogt. He is the author of this book is the direct cause, is a hit back in December 1859 published the defamatory pamphlets Carl Ford, I & sangam & lawsuit. Voigt is the German petty-bourgeois democrats. 1848-1849 years is left Frankfurt National Assembly members, one of the Empire five regent. In this small book he more Contents:...
