

OMG Baby! (Paperback)

Filesize: 3.58 MB

Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Aliya Franecki)

Hodder Stoughton General Division, United Kingdom, 2014. Paperback. Book Condition: New. 196 x 128 mm. Language: English . Brand New Book. This ISN T a book about babies. It s not about sleepless nights, nappies or nurseries. It IS about two people, one unexpected pregnancy and a question .Viv and Max were best friends for years, then they were lovers and then it all went wrong. Now finally they are to be reunited. Viv feels sick. Not just with nerves at seeing Max again, but because there s a small chance she might .quite possibly .most definitely .be pregnant. It s thrilling. But also terrifying. Most of the time they can hardly look after themselves, let alone a baby. And then Viv s estranged mother reappears on the scene and they all end up sharing a bedsit .and hell breaks loose. HOW ON EARTH ARE THEY GOING TO COPE?.
