By Abayomi McEwen, Sarah Kraszewski

Open University Press. Paperback. Book Condition: new. BRAND NEW, Communication Skills for Adult Nurses, Abayomi McEwen, Sarah Kraszewski, "This book is a real gem - useful not only for nurses, but for all healthcare professionals, students and educators wanting to develop their communication skills. It is well laid out with activities, case studies and vignettes to illustrate key issues. I thoroughly recommend this book to nursing students and those who work with people in any context." (Jo Parham, third year adult nursing student at the University of the West of England). "From a Nursing Student perspective this book is excellent. It deals with every aspect of communication from the fundamental skills, through the use of technology, challenging situations, communication in teams, to the...
