A top-selling teacher resource line, The 100+ Series(TM) features over 100 reproducible activities in each book! --The Using the Standards--Building Grammar and Writing Skills was developed to help students achieve the goals outlined in the IRA/NCTE Standards for the English Language. These standards encompass all types of language skills--reading, writing, speaking, listening, viewing, and visually representing. Since this book focuses on grammar and writing, it emphasizes the standards most directly applicable. However, since reading and writing are inextricably linked, aspects of all 12 standards are included. The table of contents includes a listing of the related IRA/NCTE Standards that are addressed in that activity and the activities in the first half of the book focus on improving grammar skills; the second part includes activities to develop better writing skills.
