Brand New Book ***** Print on Demand *****.This work provides a wealth of information on obscure and overlooked American playwrights as well as some famous ones; it will be a welcome addition for collections specializing in the theater arts. Reference Books Bulletin This directory and index, the first such volume devoted exclusively to contemporary black American dramatists, will have an important place in theatre collections. It captures and preserves an elusive part of artistic endeavor, giving access to literally thousands of dramatic works that would otherwise be lost to scholars and the public. Organized as an encyclopedia, it provides information on more than 600 noteworthy Black American playwrights whose plays have been written, produced, or published between 1950 and the present. The volume begins with an introductory essay surveying the history of contemporary black American drama. Playwrights, screenwriters, radio and television scriptwriters, and musical theatre collaborators are treated in individual entries that comprise the bulk of the book. The volume also supplies a bibliography of anthologies, books, and periodicals cited; mailing addresses for more than 200 of the playwrights; and title and subject indexes.
