From the publisher: "Intrigued by the creative potential of print-on-demand technology, in 2003 Stephen Shore began making a series of books using Apple's iPhoto service. Each book was a visual record of his activities on one particular day. The project shifted in emphasis from August 2005, when Shore determined to make an entire book wherever he was in the world 'on days that The New York Times deemed an event newsworthy enough to bestow one of...
